

MARGHAM NEWS

March 10, 2020

Dear Margham Supporter,

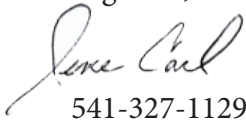

We apologize for the delay in getting this newsletter to you. The board has been working diligently on current and future plans as we shift into new Margham USA Leadership.

First, following over 20 years of dedicated service as Board President, Darrell Dunham has been called by the Lord to direct his ministry labors in a different direction. As a result, Darrell has resigned from the Board to pursue that call. We pray that Darrell, with God's leading, will continue to be fruitful in his endeavors to serve others. We were encouraged when Darrell shared at our last meeting that the ministry he founded "remains in good hands".

All board members have served for a number of years (see year joined in parentheses) with at least combined 14 trips to India. This ministry is not about the Board, but we did want you to "see" the people who serve you interacting with Pastor Arun, Sister Sandayamma, the children and pastors that are Margham India.

The mission of Margham will remain as it has been for the last 20 years; and that is to "partner with the church in India". We ask for your continued prayers as Margham transitions through this stage and we thank you for your continued commitment and generous support!

Serving Him,

MARGHAM INDIA FOR JESUS

Margham has partnered with Mission Quest to ensure the best handling of donor's gifts. Mission Quest is a Christian ministry that serves as a conduit for missionary giving and has worked hard to earn accreditations below their logo. We are excited about the accounting consistency and donor follow-up they bring to the Margham family. Please see the information below on how to send Margham India gifts via check or use the information to the right to give online.
