Dear Margham Supporter,

We thank you for your faithful prayers and generous support of what God is doing in His kingdom in India through Margham. Your gifts supply critical funds to Sandayamma, Arun, and the pastors to help with the burden they are facing in India. Pastor Arun said “we will never forget their life-saving help” because of food shortage relief.

Pastor Arun: “Lockdown throws India into such a pathetic situation that can only be understood if you are here to witness. From the second day, the poor are begging for food. Margham funds help the starving crowds. We normally distribute secretly, but sometimes publicly. Before the money arrived, we gave out one meal a day, but later your help made it possible to give 3 times a day. Now the rules became still stricter and we had to stop food distribution. Now we distribute money so that the poor can buy food sold at their doorsteps by the government agencies.”

Sister Sandayamma: “Greetings in the name of Jesus Christ. We thank you for sending help for Simon Home children. Here in our area is lock down. Please pray for us. We are also praying for Margham and for all our beloved people in USA. God must bless all of you who are so concerned about the poor all over the world including our country. Our Lord whom we trusting is always with us. With greetings and love to all Margham members, families and sponsors.”

Mission Quest is a Christian ministry that serves as a conduit for missionary giving and has worked hard to earn accreditations below their logo. We are excited about the accounting consistency and donor follow-up they bring to the Margham family.
